The landing page contains a short description of the web app and sign in / sign up form to allow users access to their dashboard.

# Dashboard

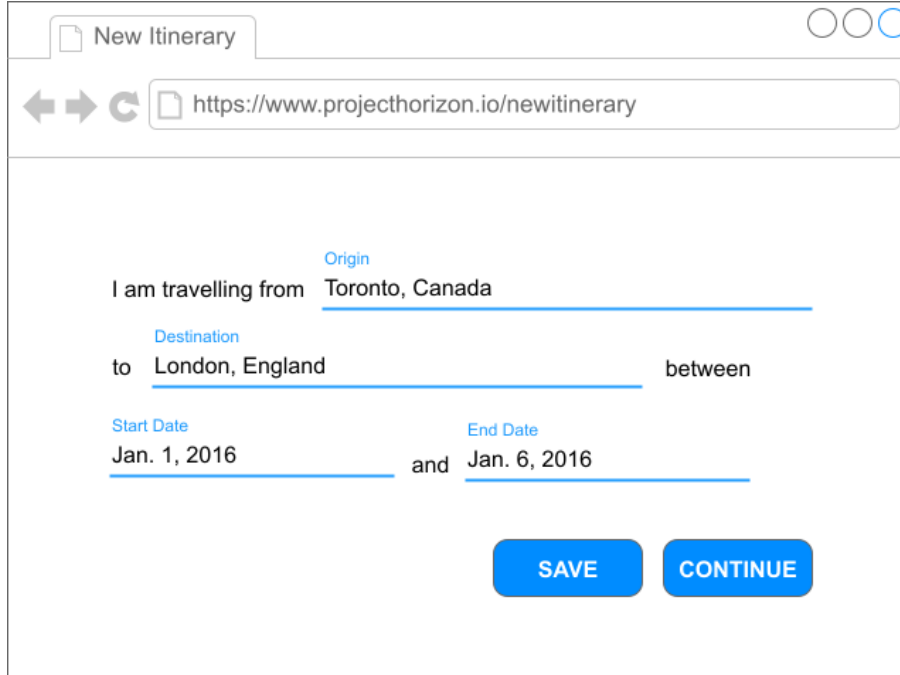

From the dashboard, a user is able to view their itineraries or create new ones, explore transportation, accommodations and attractions available through the search bar, and navigate to see recommended itineraries and account settings.

Expanding an itinerary allows a user to see more information regarding the specific itinerary and options to make changes.

## Creating Itineraries

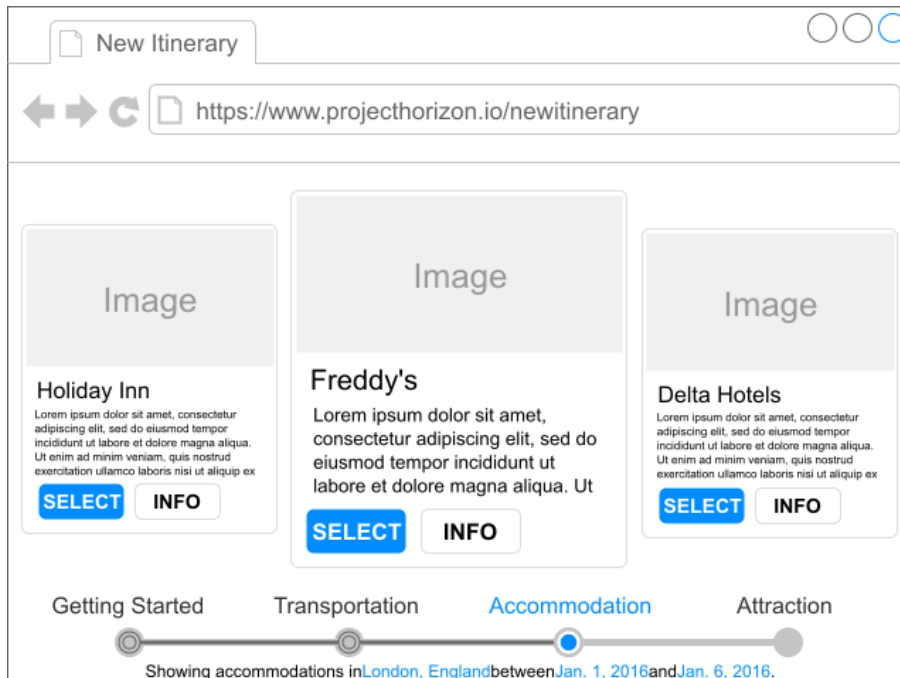

The screenshot shows a web browser window with the address bar displaying `https://www.projecthorizon.io/newitinerary`. The page title is "New Itinerary". The form contains the following fields:

- Origin:** "I am travelling from Toronto, Canada"
- Destination:** "to London, England between"
- Start Date:** "Jan. 1, 2016 and"
- End Date:** "Jan. 6, 2016"

At the bottom of the form are two blue buttons: "SAVE" and "CONTINUE".

When a user creates a new itinerary, they will be prompted to fill in a sentence to help narrow down the search criteria.

The screenshot shows the same web browser window, but now displaying a list of accommodation options. The form fields from the previous step are still visible at the top. Below the form, there are three cards, each with an "Image" placeholder, a title, a description, and "SELECT" and "INFO" buttons:

- Holiday Inn:** Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex
- Freddy's:** Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut
- Delta Hotels:** Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex

At the bottom, there is a progress bar with four steps: "Getting Started", "Transportation", "Accommodation" (highlighted with a blue dot), and "Attraction". Below the progress bar, it says: "Showing accommodations in London, England between Jan. 1, 2016 and Jan. 6, 2016."

Based on what was entered, the user will be guided through the process of selecting a method of transportation to their destination, as well as accommodations and attractions that they may be interested in.
